Not sure when you'll know when the [REDACTED] case is going to trial, but I wanted to let you know that my Fall River case is still scheduled for tomorrow, though if I am needed it will not be until the afternoon, so if I would need to testify either tomorrow morning or not until Thursday morning. I will email you if I find out I am not needed tomorrow in Fall River.

Wow --

Busy schedule. I will try and give you as much lead time as necessary and keep you on-call until when you are actually needed. I should know more in a day or so -- thanks for your willingness to work with our crazy trial schedule.

Matt-

Thanks for letting me know what's going on with the case. I understand the whole trial pool thing and realize how hard it must be on all of you as well. Here's my current scheduled for the next month or so. We sometimes get new summonses on a daily basis, so things may change, but as you know Superior Court does have more pull than a district case.

Hi Sonja,

This case is coming up for trial on 9/20/11 in Hampden Superior Court. I only expect to be placed into the trial pool on that date so no need for you to be present. Please just keep date in mind and let me know if you have dates in the next month or so you know you will not be available, otherwise just consider yourself "on-call" and I will attempt to give you as much advance notice as possible.

Thanks,

Matt Green
